

## HISTORY SCAVENGER HUNT

For this fun scavenger hunt find the history in things around you. Check things off the list when you find them. You can also collect one of each of these items if it is safe to do so. If you can't collect them, use a camera or cell phone to make it a photo scavenger hunt, or draw pictures of the items you find. Ask the adults in your house to help you find things.

- Coin from the year you were born
- Coin from the year all your family members were born
- Something that was made this year
- Something that was made the year you were born
- Something that was made 10 years ago
- Something that was made 50 years ago
- Something that was made 100 years ago
- A book about a historic event
- Something "old"
- Something your parents remember from when they were young
- Something older than you
- An old picture
