

NATURE SCAVENGER HUNT

For this fun scavenger hunt observe nature and things around you. Check things off the list when you find them. You can also collect one of each of these items if it is safe to do so. If you cannot collect them, use a camera or cell phone to make it a photo scavenger hunt, or draw pictures of the items you find.

- A leaf
- A stick
- A blade of grass
- A rock
- Something that looks like something else
- An animal
- A flower (make sure you ask permission before you pick one!)
