The Official Newsletter of the Fenton History Center VOLUME 6, ISSUE 12

NOTES FROM THE DIRECTOR

by **Joni Blackman**
EXECUTIVE DIRECTOR

Happy Holidays! The Fenton History Center is ready for the season. The mansion is full of exhibits for the holiday season; from the upside-down tree to the Civil War era table top tree, the aluminum forest to the feather tree, plus, the favorite ceramic village of Jamestown and the Swedish St. Lucia exhibit – it's all waiting for you!

The **Fenton Gift Shop** is bursting with new gift items. We have games, puzzles, stocking stuffers, ornaments, and of course, local books. If you are looking for some unique gifts, we have them. Remember, if you are a member, you receive 10% off your purchase and you help the Fenton out! It's great for all of us.

The holiday exhibit is "Celebrations of Winter." Learn about how Jamestown bundles up for the weather and enjoys

the season. Many interesting and nostalgic fur items were pulled from the collections to showcase the beautiful fur coats, hats, wraps and muffs. You can compare your modern sleds, skis and skates to those used in the past. Make a plan to bring your family and friends to see Jamestown's winter celebrations.

By now you have received your Holiday Appeal letter. **Why give to the Fenton Annual Fund?**

This year's annual fund focus is building on last year's success. Your donations will help us support our education and collection department needs. Our plan is to hire a part-time museum educator in the new year. With support from the Chautauqua Region Community Foundation and the Wilson Foundation we will be able to support start up costs for the position but will need donor support to move into 2027. Your donations this year will be earmarked for that support.

The other need is the ongoing expense of managing a growing collection of objects, paper and textiles. While we have some funds restricted for boxes, folders, etc., staff support is always needed. Thank you for helping us keep our staff full-time. We are making good progress in processing a large backlog of object and paper donations.

The Fenton History Center will be closed both Christmas Eve and Christmas Day and New Year's Eve and January 1st. From all of us; Joni, Barb, Andrew, Matthew and the Board of Trustees, to all of you, **we wish you a joyous holiday season.**

2025 ANNUAL LETTER

Greetings,

Well, it's been a little over a year in the executive's seat. I am grateful for all the new and old friends I have become acquainted (and reacquainted) with this year. Between the volunteers and the staff, we are moving forward with plans to expand education programming, improve the collections storage and organize the special collections (paper collections).

All this would not be possible without your support of time, talent and treasure. Thank you!

As I say so often – your connections to Jamestown matter to the Fenton History Center. We want to know about your family history so we can tell Jamestown's story to future generations.

Along those lines, this year's annual fund focus is building on last year's success.

- We are **growing** our education programming by hiring an education director in February 2026. A portion of your donations last year helped us leverage a Chautauqua Region Community Foundation grant to support the position.
- Your donations will help us support the collections, the special collections (paper collections) plus the staff and volunteers that keep it safe, organized and searchable. The Fenton collections tell our local story. **It is our biggest responsibility.**
- In addition to your generous donations, you can further support the Fenton History Center by shopping at our **gift shop**, which is open year-round. The shop offers a wonderful variety of gifts suitable for all ages and interests, especially during the holiday season. We invite you to stop in and explore the selection—every purchase helps sustain our mission.

As in the past few years, anyone donating \$1,000 or more to this appeal will have their name engraved on a plaque that hangs in the Fenton Mansion. If you can't afford to donate a large sum, consider supporting a few hours of our staff's time, or buy some archival boxes or folders – in any amount - and you will be recognized, with your permission, on our website and in our newsletter.

Another easy way to support this valuable work is to donate monthly. Visit www.fentonhistorycenter.org/donate and chose the amount that works for your budget.

If you qualify to make a Qualified Charitable Distribution (QCD) or a Required Minimum Distribution (RMD), please consider making a tax-free gift to the Fenton. Talk to your financial advisor about how you can make the most of your donation.

Donate today and don't forget to renew your membership. If you are not a member, please consider joining us!

VISION 2030

FUNDRAISING CAMPAIGN LAUNCHED

by **Joni Blackman**
EXECUTIVE DIRECTOR

This Giving Tuesday marks the beginning of a major new fundraising initiative for the Fenton History Center. Today, we are launching our **Vision 2030** campaign, a long-term effort to build the stability our institution needs to grow over the **next five years**.

To help us reach our ambitious goals listed below, consider a recurring gift, **whether \$10, \$20, or \$30 a month**, providing stable, predictable income that we can count on. This stability allows us to plan responsibly, invest in staff, strengthen preservation work, and move forward with confidence on the projects our community relies on.

Our first milestone, **\$1,500 in monthly support by the end of 2026**, is well within reach. That amount could come from **150 supporters giving \$10 a month, 15 supporters giving \$100 a month, or any combination in between**.

This campaign succeeds because many people give what they can, and together it adds up. Every monthly commitment, whether large or small, helps us reach our 2026 milestone and moves us steadily toward our **long-term goal of \$5,000 per month by**

2030.

And for those who prefer to give their time, volunteers remain one of Fenton's greatest strengths. **Your time, skills, and presence are just as valuable in helping us serve the community and preserve our shared history.**

Between now and 2030, we have ambitious but essential goals for strengthening and modernizing the Fenton:

Build a third building to bring our off-site storage back on-site, improving access, strengthening collections care, and providing much-needed exhibit and community space for expanded programs.

Sustain the Education Coordinator position beyond 2026 and expand our educational programming, bringing more programs into local schools and increasing opportunities for families and community groups.

Fund additional collections staff, including a long, overdue and critical full inventory of our artifacts and archival materials.

Complete major preservation projects, such as the Mansion roof.

Ensure we can continue to carry out all of our essential

work, from preserving collections to running programs and maintaining operations, without financial strain, supported by strong infrastructure and reliable funding.

We will continue to hold our annual funding campaigns, and we are deeply grateful for our annual donors whose generosity has carried the Fenton forward. In recent years, the annual fund has ranged from \$6,000 to \$16,000, and every gift has truly made a difference.

At the same time, annual giving can fluctuate and grants we budget for are never guaranteed. When that happens, we must sometimes delay projects or find last-minute funding. Monthly giving helps bridge this gap by providing steady, predictable support we can count on for long-term planning.

Together, we can build a stronger, more resilient Fenton. Your monthly support gives us the confidence to move forward with our plans, care for what we've been entrusted with, and expand what we offer to the community.

Thank you for helping us preserve the past while preparing for the future!

If you have questions, call Joni at (716) 664-6256.

TALES FROM THE TEXTILE ARCHIVES: HILDA AND HESTER

by Cindy Dustin
VOLUNTEER

We recently catalogued several hats that were in old-fashioned hat boxes from HILDA and HESTER, a millinery shop that was located at 13 East Fourth Street, in the Thurston Block between Potters Alley and Pine Street.

Hilda C. Peterson and Hester E. Himes were partners in the business, which began in 1936. The ladies sold hats in their shop, but they were also in high demand for millinery and fashion shows at area clubs, churches, bridge groups, luncheons and various auxiliary meetings. Hilda and Hester would often cooperate with Jamestown dress shops and shoe stores to hold fashion events to show off the latest fashions in hats, dresses and shoes. Hilda and Hester also held Sunday

afternoon teas at their shop to showcase their hats.

Hilda's obituary in 2001 states that she was a native of Jamestown, however, the 1920 and 1930 census records show that she was born in Sweden in 1897. She immigrated with her parents and brother Harold in 1902. Hilda worked as a telephone operator in 1920, and by 1930 her occupation was listed as "milliner." Hilda was a charter member of the Marvin House and was also a

member of the Norden Women's Club. She was a Gray Lady at the former WCA Hospital and volunteered in the hospital gift shop.

After the death of her husband, Merritt, Hester retired to Florida in the mid-1960s. She was the financial secretary and office manager for the United Fund and Community Chest of Southern Chautauqua County for 20 years and had been the office manager at Par-Ket Motors.

The store closed in 1970.

HOLIDAY CRAFT FAIR

by **Andrew Kolstee**
OFFICE MANAGER

The Fenton History Center kicked off the holiday season on November 15 with its 6th Annual Fenton Holiday Craft Fair, welcoming visitors into the Fenton Mansion for a day of shopping from local crafters, a bake sale, and a festive, historic atmosphere.

Several vendors were set up throughout the historic rooms of the mansion, each offering unique handmade goods ranging from seasonal décor and gifts to jewelry, art, and specialty crafts.

The Fenton also hosted a bake sale, in which all items were donated and all proceeds support the Fenton.

The fair also highlighted the Fenton's gift shop, ready for the holiday season, with new items. Shoppers explored a wide variety of local-history books, ornaments, puzzles and games, and other items. Stop in to the gift shop during your Christmas shopping this year!

Staff and volunteers were on hand to answer questions and share more about the museum's programs and events.

HONOR FLIGHT REUNION 2025

by Barbara Cessna
VETS FINDING VETS COORDINATOR

The November Walnut Press covered two Vets Finding Vets events held in October – Patriotic Bingo and the All-Women Veterans Honor Flight. But, October was very busy for veterans as there was also our annual Honor Flight Reunion. We keep the reunion in October as we wait until after the October flight to Washington, D.C., so that those veterans can attend as well, and we hope to catch those who winter in warmer areas before they leave.

The 2025 reunion was held at the Cassadaga American Legion, the perfect setting for our gathering, and we were very grateful for their hospitality.

Vets Finding Vets first began participating in Buffalo Niagara Honor Flights in October 2017, when three World War II veterans and one Korean War veteran excitedly began their journey from Jamestown to Buffalo. At that time, there was a spring and fall flight, but after three flights were missed during the COVID pandemic, an extra flight was added to catch up on the long list of potential travelers.

We began having an annual reunion for this very special “Band of Brothers” in 2018, and it is always a joyful time. They enjoy seeing each other again, the vet-

erans who were on their own flight, and other veterans they know.

The speaker this year was Eric Hamilton, the 2024 Vets Finding Vets Soldier's Friend Scholarship recipient. (The SFS is the beneficiary of the Patriotic Bingo fundraisers.) The applicants must be a Chautauqua County graduate or undergraduate with a concrete plan of either entering the service, or obtaining a civilian occupation offered by a military branch in support of serving members. In this case, service came first, as Eric entered the Marine Corps after high school and at the time he applied for the \$1,000 scholarship, he was struggling with the cost of books at Northeastern Seminary, while working locally for the Department of Defense.

His message that day certainly resonated with the Honor Flight veterans and their guests as he reminded them that their service gave younger veterans heroes to look up to. He made the point that in Washington, D.C., they had seen the war memorials, but that they were granite. They, themselves, are the real memorials of their service and he encouraged them to pass down their own stories to their families. He ended with some of his Marine experiences in Iraq, coming home broken in many ways, and how they led him to join the seminary.

...CONTINUED ON PAGE 14

...CONTINUED FROM PAGE 13

Fifty veterans and their guests enjoyed the day, chatting about their favorite subject "The Trip of a Lifetime." It was so good to see them again and we all look forward to the next Reunion.

Our speaker, Eric, didn't mention it at the reunion, but he has a street ministry in Jamestown, focusing mostly on the homeless population. He is currently collecting coats to give out as the temperatures settle into real winter. There are also children who need to stay warm. Most of us have one or two coats we know we will never wear again, and if you would like them to make their way to people who need them, please call 716-397-7079.

A Call for Board Members!

The Fenton History Center is governed by a Board of Trustees. We are a “working board,” meaning we discuss, plan, strategize, and work with staff to coordinate activities at the Fenton. **We currently have two open positions on the Board** and are always looking for new members, with diverse skills and backgrounds that can help aid in the Fenton’s mission.

If you are interested in joining the Board of Trustees, the only eligibility requirement is that you need to be a dues-paying member of the Fenton. Members of the Board of Trustees are elected at the annual meeting, usually held in February of each year. If you are interested, fill out the application on our website at the link below. Prospective Board Members have also been typically invited to meetings of the Board of Trustees to get a better idea of how the Board operates.
